

**The Dalton Gang presents:
Dalton Gang Primitive
Biathlon
February 18th and 19th,
2012**

We would like to invite you to participate in this year's Dalton Gang Primitive Biathlon. The event involves the use of traditional, modern and in-line muzzle loading rifles or traditional handguns, all single shot. Be sure to bring your snowshoes with or without cramp-ons. The *improved* course is approximately 1-1/2 miles and can be enjoyed by the average sportsman, while some choose to run the course, many select to walk the hilly course (but the targets are big, and the Clubhouse warm...). Along the wilderness trek will be three shooting areas. At each shooting area participants will load and fire two shots at designated targets. At the finish will be the fourth, open shooting area where participants will shoot three additional shots. All nine shots, including the finish line area will be "on the clock". All shooting will be from a standing position, unaided by shooting sticks or other external aids. We will again be using large square steel 'gong-type' targets scoring either hit or miss. A misfire will be considered a miss. Scoring times will be adjusted based on shooting scores putting an emphasis on accuracy. The final shooting area will be open to spectators and families of the participants to watch.

This event will be held regardless of the weather. In the event there is insufficient snow for snowshoes, please bring good walking boots.

We'll try for a better packed trail, and no night before blizzard this year We hope to see you there...
